

EUROPA POINT FC SPONSORSHIP OPPORTUNITIES

Come and be part of a unique football club...

Europa Point FC are a unique football club that carries the name of one of the most unique locations in the World.

The ethos of the club is to give talented young footballers a second chance at fulfilling their footballing dreams and provide a pathway back into the professional game.

Playing in Gibraltar's top division, the club was only formed in 2014 but already we have won the Gibraltar Second Division Cup on two occasions and gained promotion as Champions of Division Two at the end of the 2015/16 season.

As well as this we have a strategic partnership with Chesterfield FC, who play in the third-tier of the English Football League, and have close links with various clubs and organisations throughout the United Kingdom, Spain and beyond.

We are extremely proud of the fact that the average age of our squad is under 20 years of age. We are exposing our young players to a high standard of football and a professionalism that will stand them good stead in their future development in the game.

What's more, during the 2016/17 season we came within touching distance of qualification for the UEFA Europa League, which would have seen us pitting our wits against some of the top clubs in Europe.

In order to be able to continue providing this kind of environment and opportunity for young players of all nationalities, we need the assistance of sponsorship and commercial partners to come and join us on our journey.
